### SKIN TYPES:

All except Sensitive

**Sunburn Alert:** This product contains an alpha hydroxy acid (AHA) that may increase your skin's sensitivity to the sun and particularly the possibility of sunburn. Use a sunscreen and limit sun exposure while using this product and for a week afterwards.

### USE:

Apply toner with a cotton pad to remove residue from cleanser, makeup, or hard water. Daily use of sunscreen is recommended with any AHA product. Use caution when combining with other exfoliating products as this may increase sensitivity. For external use only. Avoid contact with eyes and mucous membranes. Slight tingling may occur upon application. If irritation develops, discontinue use and consult your skincare specialist.
