

Product Sheet Botanical Facial Toner

For all skin types, this pure, alcohol-free toner restores pH and hydrates. Phytohyaluronate and marine botanicals bind moisture to the skin, leaving it smooth and supple. 98% organic and certified Vegan.

pH:
4.5-5.5

SKIN TYPES:
All

USE:
After cleansing, apply toner with cotton pad to remove residue from cleanser, makeup, and hard water. Follow with appropriate protective treatment for your skin type.
