

## Product Sheet Original Tatt-Stick

King Ink's Original Tatt-Stick is a 100% natural alternative in caring for your precious ink. Each ingredient in Tatt-Stick was carefully researched and selected for their unique properties and designed to provide optimum moisture protection for both new and old ink while still allowing skin to breathe.

Tatt-Stick does not contain petroleum products (i.e. petroleum jelly, mineral oil) or lanolin, which are known to cause skin reactions, pore-clogging, and ink loss.

### **Directions for Use:**

Cleanse area with cool water and soap using fingers, rinse and pat dry. Apply Tatt-Stick gently and SPARINGLY to area 3-4 times daily. Please consult with your tattoo artists before use and review ingredients carefully for allergies. Discontinue use if irritation occurs. This product does NOT contain sunscreen. Due to the direct skin-contact nature of this stick, please do not share!

### **Ingredients:**
