

Product Sheet Dry Skin Foundation

This smooth & creamy formula has the same glide and feel as our "House Blend", but what makes this formula different is no oil-absorbing silica is added and the sericite base is now treated with fabulous Jojoba for much-needed moisture retention in the skin and consistent, long-lasting color.

Ingredients

Mica (and) Jojoba Esters, Titanium Dioxide, Zinc Oxide, Boron Nitride, Silk Powder, Pearl Powder, Allantoin, Silica, Iron Oxides. May contain Ultramarines, Chromium Oxide Green.
