

## Product Sheet Eye Shadows & Multi-Taskers

Lueur Jeune™ Eyes are blends of pure, oxidized micas and natural color pigments. Most of the shades can be used as an eye shadow, liquid liner, nail polish enhancer, lip tint, blush, bronzer, shimmer - the possibilities are almost endless! Dry, the colors are natural and sheer, wet they are dramatic and more visible. These powders are so potent, one 1-gram jar will last 6 months with daily use, maybe even longer. No kidding!

### Ingredients

Mica, Titanium Dioxide, Magnesium Stearate, Kaolin, Iron Oxides. Some shades may contain Ultramarines, Chromium Green Oxide, Ferric Ferrocyanide, Carmine, and/or Tin Oxide.

### Retail Pricing
